THE RAYMOND LION

Norma Meldrum Heads New Hospital Auxiliary

The Home Nursing Group of the Canadian Culture Classes met at the Town Hall on Monday night, together with 22 visitors who had been invited to help form a Hospital Auxiliary.

After a brief talk by the Instructor, Norma Meldrum, and a few words by the Matron, Miss Bucknel, the Hospital Auxiliary was organized.

The following ladies are on the executive: President, Norma Meldrum; First Vice Pres., Irene Miller; Second Vice Pres., Dorothy Dahl; Secretary, Phyl Meeks; Treasurer, Idale Kenney.

Committees for Ways and Means, Membership, Sewing and Sick Visiting are to be appointed by the executive.

What Happened At The Council Meeting

Statutory Meeting of the Council was held in the Town Hall on Monday at 8 p.m.

Present were, retiring Mayor Wm. Jensen, Councillors Wilde, Galbraith, Mayor elect Frank R. Taylor and Councillors elect Albert Ralph, John Kenney and Robert Salmon.

Mayor Jensen read the certificate of the returning officer and the elected Mayor and Councillors took their oath of office before W. L. Jones, Notary Public.

Mayor Taylor then took the chair and expressed the appreciation of himself and the council for the years of service of the retiring Mayor.

Mayor Taylor then assigned the members to the various committees and appointed Wm. W. Wilde Deputy Mayor for the months of March, April and May.

The regular business of the Council was then proceeded with.

The Minutes of the previous meeting were read and adopted on motion of Councillor Ralph and the Cash Statement was read and accepted on motion of Councillor Wilde.

Moved by Councillor Galbraith that all cheques, notes, drafts, contracts etc be signed by either Mayor Frank Taylor or Councillor Wm. Wilde and countersigned by the Secretary Treasurer Warren Jones. Carried.

Moved by Councillor Kenney that the following five councillors constitute the Court of Revision; Councillors Wm. Wilde, (Chairman), Albert Ralph, Howard Melchin, Bruce Galbraith and Robert Salmon; and that the hearing be April 7th. Carried.

Moved by Councillor Ralph that Leonard D. Watson be appointed Auditor for 1952 at same salary as last year, \$2500. Carried.

Those receiving the honors this evening were Elaine Stevenson Low, Norma Dahl Turner, Bernice Dahl, Della Rogers, Betty Wilde, Margaret Leishman, Malcolm Bridge, Bill Bowden, Murray Wilde, Gordon Wilde and Wesley Rogers. Hazel Fairbanks and Durene Snow Hutchinson were unable to be present to accept their awards.

Mr. and Mrs. Joe Strong directed the floor show which was beautifully danced by M Men and Gleaners from the various Wards. Tea For Two was the number played.

After a waltz by the Master M Men and Golden Gleaners and their partners, general dancing was resumed until midnight.

THE NEW RAYMOND RECORDER

(continued on page three)

288 Honored Guests Gather At Annual Party

One of the largest crowds ever to assemble for Honored Guests Day met here Wednesday March 12, in the Opera House. The hall was prettily decorated in yellow and green, and the tables carried the theme of St. Patrick's. The many bouquets of beautiful flowers lent another colorful picture to the scene. Honored Guests began to arrive at 11:30. They were greeted and welcomed by Mayor and were as follows:

Mrs. Tayor, Bishop and Mrs. Snow and Bishop and Mrs. Wilde. Grandpa Dahl was the first guest on hand, and first to receive the Honored Guest Lapel Ribbon.

Dinner was under way at approximately one o'clock. Uncle Joe Nilsson offered grace. This year's menu was roast beef and pork, dressing, mashed potatoes and brown gravy, corn, beans rolls, pickles, jelly and fruit salad; topped by ice cream and cake. There were 288 plates served, an increase of 45 over last year's total. Flowers and dinners or lunches were sent out to 12 of our hospitalized and shut-in Honored Guests.

The afternoon program was in the charge of Bishop Golden Snow, who substituted for our absent Chairman, Orrin Turner. Bishop Snow spoke a few words of welcome, then handed the program over to our jovial and congenial Master of Ceremonies, Howard Rasmussen. At its conclusion the oldest gentleman and lady present were called to the platform. Heber Coles, 95, and Grandma Fisher, 85, and were presented with a gift; box and tie, and a rose bowl and rose respectively. The oldest couples present were Mr. and Mrs. Jimmie Taylor, and Mr. and Mrs. Will Lamb, who each received a pretty bouquet of flowers. Mose Fromm took pictures of these Honored Couples.

While supper was being prepared an hour was spent in visiting, and no doubt much reminiscing was done. Following a light but tasty supper of meat buns and hot cocoa, ice cream cones and cake—the guests were treated to forty minutes of talking films shown by Mose Fromm.

Dancing got underway at 8:30 to music played by Qually's Old Time Orchestra of Lethbridge. Jerry James of Magrath, was Floor Manager and Caller. While awaiting his arrival Atha Peterson called out the opening Circle Two Step. The Waltons, Ball and Wagstaffs led the dance. Two special numbers were the Widows Waltz and the Prize Waltz. Honors of the first dance went out to Mrs. Holt and partner, Bliss Roberts and Grandma Nalder and partner Teddy Wagstaff; and Mr. and Mrs. Harold Stevens and Bliss Roberts and Mrs. Irene Redd won the prize waltz.

Everyone reported a grand day and Flowers were given as prizes. Much credit is due Jerry James as Floor Manager. There were more dancing and better Honored Guest Day in than sitting down during the course of the evening.

—Norma Zobell

On Sunday forty-seven relatives met at the home of Mr. and Mrs. Alma Hancock for a Family Reunion.

A delicious turkey dinner was served the guests after which the Harold Christensens and Allen Christensens of Stirling, Donald Christensens of New Dayton, Lenay Christensens of Rosemary, Geo. Loxtons, Bud Strong and Herb Garrett of Magrath enjoyed an afternoon of visiting and viewing slides. Light refreshments were served during the evening.

Mr. Leo Nichols of Calgary visited Alberta Temple on March twenty with us briefly this week.

Elayne Larsen And Allan Nalder Exchange Wedding Vows

On Saturday, March 8th, Elayne, daughter of Mrs. Anne Larsen and the late Owen Larsen, became the bride of Allan, son of Mr. and Mrs. C. O. Nalder, at a quiet wedding solemnized by Bishop Jensen at the home of the Bride's mother.

The radiant bride entered on the arm of her uncle Jesse Atwood, who gave her in marriage, while Maxine Dahl played the Wedding March.

Her gown was of lusterous white satin fashioned with white net to give an off-the-shoulder effect, and the bountiful skirt was caught up to reveal rows of dainty lace. A finger tip veil was held in place by a lovely coronet studded with seed pearls and brilliants. Her bouquet was made up of white and red carnations.

Carol Larsen, gowned in a pink formal with matching head-dress and carrying a bouquet of daffodils and carnations, attended her sister as Maid of Honor; and Barbara Christensen in a yellow gown and head-dress also carried daffodils and carnations. Arlene Ralph and Rose Czech in mauve and blue respectively, wore carnation corsages.

Mrs. Larsen chose for her daughter's wedding, a navy blue crepe frock complimented by pink carnations, and the groom's mother wore a black afternoon dress to which was pinned a corsage of white carnations.

The Groom's brother, Sherwin Nalder, attended him as Best Man.

After an accordion solo by Myrna Barton, best wishes and congratulations were extended the happy couple by the relatives and friends present.

From six to ten in the evening many others called to add their best wishes.

Mr. and Mrs. George Erickson welcomed the guests at the door and Mrs. Larsen accepted and arranged the many lovely gifts. Carol Larsen presided at the Guest Book. Mabel Veen Louella Hague and Helen Atwood were in charge of the delicious lunch served by Hazel Atwood and Della Hirsch.

Pink tapers and lovely bouquets of red and white carnations and tulips flanked the three tiered wedding cake that graced the Bride's Table.

For their honeymoon to Great Falls Mrs. Nalder wore a navy blue dress topped by a pic and pic coat and blue accessories. A red and white carnation corsage complimented the ensemble.

The newly-weds plan to make their home in Blairmore.

On Tuesday twelve Deacons and fourteen Bee Hive Girls from Howard Hicken's and Barbara McPhee's Mutual Classes motored to Cardston for Baptisms.

Cars were supplied by Evans Jensen, Howard Hicken, Louis Frazer, Warren Jones and Adrian Bishop.

Mr. and Mrs. Frank Taylor are leaving on the 22nd of the month for a trip that most people just dream about. Their destination is the West Indies where Mr. Taylor must go on business.

From Miami, Florida they will fly to Hozama in the Dominican Republic where they will stay for two weeks. Cuba, New Orleans and Detroit are on the agenda for their return trip; driving from Detroit to Tuscola, Illinois to visit Mr. and Mrs. Byron Anderson.

Doesn't it sound wonderful?

Mrs. Lavern Anderson plans to travel as far as Chicago with them and then go on to Tuscola to visit Mr. and Mrs. Byron Anderson.

Chips From
The Scout Log

First Raymond Troop

Last Week

At last week's meeting Jim Mc Mahon discussed compass points and direction, and maps and map reading.

Max Holt has earned his Carpenters Badge and Max and Rodney Kiddle their Leatherworkers Badges.

At Court of Honor (a meeting for leaders after the regular scout meeting) the following items were discussed.

It was decided that the Scouts could help in the Spring Clean-Up by collecting and bundling waste paper from the homes.

The telephone directories are to be distributed by the Troop.

Standards were set for summer camp. Angelo Viola, Gordon Tychsen, Max Holt, Sam Longbotham, David Still, Rodney Kiddle and Arthur Hudson are to be Kings Scouts before they can go.

This week there will be no Scout Meeting because of the playas which are being put on at the First Ward.

Patrol Trophy Competition

With two weeks to go in the current contest, the standings are as follows: Fox Patrol (Gordon Tychsen P.L.), Wolf Patrol (Max Holt P.L.), Beaver Patrol (Gerry Dahl P.L.) and the Stag Patrol (Sam Longbotham P.L.)

(continued on page three)

Truck Licenses Available Here

We thought this letter, handed to us by Wilford Meldrum, would be of interest to local truck owners.

T. W. Meldrum.

Raymond, Alberta

Dear Will:

I was surprised to hear that Raymond ratepayers could not buy their truck license in Raymond when I was in the office of the Traffic Board the other day. I requested this service last year.

I took the matter up with the Minister and he signed the order this morning. You will henceforth be able to get car and truck licenses in Raymond.

Sincerely yours,

L. C. Halmrast, M.L.A.

Mrs. Anne Larsen and Chrissie Rice were business visitors in Calgary over the weekend.

Every dollar you spend at home means money in your pocket. Stop for a minute and figure out why.

Mayor Jensen Honored By Town Employees

Mayor Jensen and his good wife were honored recently by the Town employees and their wives who met at the home of Mr. and Mrs. Rayo Woolf. After lunch Warren Jones showed the slides that recorded the Jones' recent trip to Eastern Canada.

At the close of a very enjoyable evening Warren presented the retiring Mayor with an electric clock as a token of esteem from the Town employees.

Thus ended the seventeen years of active service to the Town of Raymond by William Jensen.

Short Courses in Agriculture
Nothing means more to the welfare of Western Canada than well-managed farms and good farm homes. Today, as never before, farming requires not only a wide variety of skills but also a lot of technical knowledge. In other words, successful farming calls for well-trained and educated young men and women.

Training Facilities. No country in the world provides better facilities for the teaching of agriculture than does Western Canada. The Faculties of Agriculture and Home Economics at our prairie Universities, and the Provincial Schools of Agriculture in Manitoba, Saskatchewan, and Alberta are equipped and staffed to provide broad and sound education and training for agricultural people.

Short Courses. Each fall and winter the agricultural colleges and schools throughout Western Canada provide a wider variety of Short Courses in Agriculture for young men and women. Courses in Field Crops, Farm Machinery, Home Economics, Dairying, Poultry and Horticulture are tailor-made for young men and women, 16 years and over, who intend to farm. They are designed to emphasize the practical aspects of farming. To meet the needs of farm people most Short Courses are of one or two weeks duration only, and the fees are low. Anyone who attends one of these courses will return home not only better equipped to carry on his farming operations but better qualified to give leadership in his own rural community.

We urge Line Elevator Agents to encourage the young farm people of their own districts to attend an Agricultural Short Course this fall or winter. Today, training in agriculture is an important key to successful farming.

For application forms and further information, write directly to The Dean of Agriculture at your provincial University, or to The Principal of your nearest School of Agriculture (Brandon, Man.; Saskatoon, Sask.; Olds, Vermilion and Fairview, Alta.).

Wheat Pool Reserve Purchases

The Alberta Wheat Pool recently
mailed cheques totalling about \$900,000
to 20,000 Pool members. This payment
is part of \$1,040,000 allocated from
last year's earnings to the redemption
of reserves contributed by members
in the 1923-24 period.

Reserves are being redeemed from
estates of deceased members, from
members who have gone out of farming
and sold their land, and from mem-
bers 65 years of age or over who are
farming or in possession of farm land
who were contract signers during the
period 1923-24.

In addition, a rateable purchase is
being made from all original contract
signers of 35 per cent of the commer-
cial and elevator reserves standing
to their credit as at February 15,
1952.

When this distribution is completed
total purchases of reserves will have
amounted to \$6,900,000 leaving about
\$1,500,000 outstanding in the hands of
the original members. Out of the total
reserve purchased, \$6,000,000 worth
have been reissued in the form of
patronage dividends to member pat-
rons since the year 1940. The ownership
of the Alberta Wheat Pool and
Pool Elevators rests with the reserves.
Through this process, the control of
the Alberta Wheat Pool is being kept
in the hands of operating farmers.

The Friendship Club met at the
home of Mrs. Carol Shaw Wednesday
evening where Mrs. Dorothy Nielson
presented an interesting article on
Children's Behaviour Problems.

A lovely lunch was served by the
hostess at the conclusion of the even-
ing.

Mrs. Verl Meldrum was a special
guest.

The average Canadian produces
more with less effort, pays heavier
taxes but has more income left to
spend after paying them, and actually
consumes one-third more goods and
services than he did at the peak of
the boom of the twenties.

These facts are disclosed by the
Dominion Bureau of Statistics in a
major report on the growth and
changes in the Canadian economy dur-
ing the period 1926-1950.

SEED GERMINATION 1951 RESULTS

The extremely unfavorable conditions under which grain crops in Western Canada were harvested this Fall, make it essential for any farmer to have a germination test made on seed-grain intended for planting in 1952.

Germination Results. To date, Line Elevators Farm Service has completed germination tests on over 600 farmers' seed samples of wheat, oats and barley. The results of these tests are summarized in the following table:

Crop	Percentage Germination	
	Undamaged samples	Damaged 1st samples
Average	Average	Average
Wheat	81	80 to 85
Oats	81	80 to 88
Barley	91	88 to 94

1st Month "Mildew" and/or frost damage
Conclusions. As the results under "Damaged Samples" show, the average percentage germination of grain samples affected by "Mildew", frost, and other forms of kernel damage, is considerably lower than that of the "Undamaged Samples". Although some damaged samples germinated well, the majority of them germinated poorly.

It is clearly evident from these early results that many 1951 grain crops will yield seed of low vitality. Such seed will be a poor risk for planting in 1952. Every western farmer should see to it that the seed-grain he harvested this Fall is satisfactory from the standpoint of germination.

A Warning. Farmers should not rely on securing "good" seed from grain crops that were exposed to long periods of wet weather this Fall, or from crops that will remain unthreshed until Spring. If you were unable to harvest enough "good" seed-grain this Fall, make arrangements at once to secure your seed requirements for 1952.

Tests Available. Free germination tests are offered by all local Agents of the Line Elevator Companies listed above. This seed testing service is provided for your protection. We invite you to make full use of it this year. Good seed, more than any other factor, makes productive and profitable grain crops possible.

The Red Cross Needs
Your Help And You
Need The Red Cross

The local campaign for funds for the Canadian Red Cross commenced this week and to date the canvassers have collected about \$400 toward their quota of \$1,750. This means that there is still a long way to go if Raymond and district is to reach its objective. When the canvasser call on you remember that the contribution you give may be just the thing to save the life of someone you hold dear and dear — it might be your own!

Give generously to help those with a limited future to a future unlimited.

Provision of free blood transfusions for the majority of Canadians is the largest single item in the operational budget of the Canadian Red Cross. Lewis A. Winter Honorary Treasurer of the Society, stated in reviewing the 1952 national appeal.

"For the first time in several years Red Cross has been obliged to enlarge its objective from \$5,000,000.00 to \$5,222,000, an increase of 44%" he said. "But in the light of ever-advancing costs, added commitments to the armed forces and the steady expansion of the free national Blood Transfusion Service, it was felt to be a reasonable requirement."

More than a third of the budget will go to the Blood Service, which last year provided free transfusions for 110,000 patients and 6,000 bottles of plasma for the armed forces. Next largest requirement is \$666,088 for Hospital, Medical, Nursing and Health Services, including operation of 75 Outpost hospital and Nursing stations. Third largest item is \$129,795 for Service to War Veterans.

Balance of the budget will be used for instructional and welfare services international and women's work, Jr. Red Cross, administration and others.

To safeguard the public interest, Red Cross has in force a most exacting system of budgetary control, from the smallest branch to the final audit by the Department of National Defence, which final provision is called for by the Red Cross Charter.
